This is how you will be notified of WCT clearance status. Our agency physician or eMedical Admins may ask you for further info to complete your clearance and these requests come from this address – until you respond to these requests, your clearance will NOT proceed.

If cleared to take the WCT, you will be notified by email. No further action within eMedical will be required until the following year.

If an OF-178 exam is required, you will be notified by email with further information on how to proceed.

3.3 How do I know if I am authorized to take a WCT re-test?

ADs will be notified via email if they have been authorized for a WCT re-test. If a re-test is not authorized, the packet will close and the AD will not receive an email notifying them of a WCT re-test. WCT Retests for ADs follow the guidance in the USFS WCT Implementation Guide (2015) and are to be approved by local fire management.

3.4 How do I agree to participate in a WCT re-test?

Your responses on the Health Screening Questionnaire (HSQ) submitted on 9/6/2018 indicate the need for a physical examination. This can speed up your clearance.
- Click the “Submit” button

After submitting the OF-178 Part A, you will receive an email notifying you to schedule a medical exam with your physician. This email also contains the exam access code your clinic will use. Contact your HSQ Coordinator for assistance in locating a clinic, to ensure payment is made and that you have all necessary documents to give to your physician/medical provider.

Print this email and bring it with you to your exam.

The email will include an access code your physician will use to access eMedical and complete your OF-178 form within the system. EXAMPLE below:

You will now need to schedule an OF-178 physical exam. Please contact your HSQ Coordinator to discuss how to arrange this exam and to obtain the necessary paperwork to bring with you. OF-178 exams should be billed to the Forest, not the employee.
- To access this employee’s exam, navigate to this web address: https://emedicalacct.gdcii.com/provider
- If you have not established a USFS eMedical User Profile, click on the link “Establish Username and Password” below the main login fields, and follow the prompts to establish your profile. Then Click “Submit”.
- If you have already established a Username and Password, log in on this screen.
- Ensure that your eMedical profile includes the examining medical provider’s information, as this is what is used to generate the provider’s electronic signature.
- Once logged in, click on the “Redeem Invitation” link on the left side of your screen.
- Enter the employee’s Unique Physician Access Code. This code is one-time use only.

**Note:** ADs must print this email with the physician access code and a copy of all “Physician Documents” stored on the eMedical website. (link to the site is in email) Bring the letter and documents to the medical exam.

**ASK FIRST!** You may use a provider of your choice, but they MUST agree to use eMedical and it’s online exam submission process PRIOR to you having an OF-178 exam completed.

If you need assistance in scheduling an exam, please contact your HSQ Coordinator. MD/DO/NPs and PAs may conduct exams. Chiropractors may not.

Physicians and medical providers can contact the MQP Assistant atMQP_emedical@fs.fed.us with any additional questions.

### 5. Exam Clearance, Waivers and Mitigations

#### 5.1 Notification of Medical Clearance

Once your OF-178 has been submitted by your medical provider it will be reviewed by the USFS Medical Officer. The Medical Officer will determine if you are “Medically Qualified” based on the OF-178 and may assign waivers and mitigations. Mitigations are requirements specific to each employee based on any medical conditions. You will be notified by email with your waiver information and directions on how to view your waiver and mitigations.

**You MUST log into eMedical and view your waiver/mitigation directions and follow these directions each year.**

#### 5.2 How do I view my exam Waiver and Mitigations?

Waivers issued prior to eMedical were emailed to the employee/AD. Waivers issued since 9/2017 are generally within eMedical. **Please KEEP your original waiver to refer to each year!**
When an AD is cleared after the OF-178 exam process, they are emailed notification of their clearance and directions on how to view their waiver specifics. **MAKE SURE to view your waiver and mitigations instructions after you receive it!** MANY waivers require information to be submitted to the MQP Office annually. Specific directions are found in your waiver/mitigation.

**AD Directions to View and Print Waiver:**

1. Log into eMedical.
2. Go to **My Packets** and **View** the packet with the original waiver (usually down the list) It will have a completed **PART C** and **PART D**.
3. On the Summary page of the packet, click “**Print**” to the right of “Part D Completed”. This will open a .PDF page that can both be **SAVED** and **PRINTED**.
Print Part D

4. **ADs should PRINT & SAVE this information to refer to each year.** Most employees who need to supply an annual update obtain this statement from their medical provider at their annual appointment prior to WCT season.

5.3 **Employees/ADs with Waivers – Annual WCT Clearance Process**

After the waiver is issued, each year employees should:

1. Check the **“I have a waiver”** box in Section A on the HSQ Form.
2. Check any boxes in Section A for conditions you have a waiver for. None of these checked boxes count against you.

3. If any existing condition has worsened, notify your HSQ Coordinator. If you have any new conditions, check those boxes and let your Coordinator know you have new conditions checked.

4. If your waiver does not require an annual update, tell your HSQ Coordinator.

5. If your waiver DOES require an annual update, inform your HSQ Coordinator and FAX the update to the USFS MQP office.

6. eMedical Secure Fax: 1-866-338-6630

Clearance for both types of waivers ways will come by email.

6.1 How do I appeal a waiver rejection?

If you have not been Medical Cleared, and an employee’s waiver request has been denied, an MRB waiver appeal can be initiated within three business days of receiving the email notification. To appeal a waiver rejection, employees can login to eMedical and “Take Action” on their current packet. Employees will then make a selection from a drop-down menu choosing to submit MRB. Employees can also add comments or attachments by navigating to “View/Add Notes” or “View/Add Attachments” from the left menu.
