Subject: Delegation of Authority and Leaders Intent

Delegation of Authority: Woodbury Fire

I welcome you and your team to the Woodbury Fire, and wish you a safe and successful assignment.

I hereby delegate authority for management of the Woodbury Fire, at 0600 hrs. June 28, 2019. This delegation carries the full responsibility for management of all assigned firefighting resources, aviation assets, equipment, costs, and the rehabilitation of suppression impacts directly related to this wildfire as a result of your tactical actions.

I have listed the Leaders Intent as a separate attachment to facilitate making modification to items that need emphasis change without having to reissue the Delegation of Authority.

To assist the Forest, State and National Park Service, I would like to ensure that "During Incident Reviews" are completed as you and designated agency administrators deem necessary. This is a time for us to meet face to face to assess our progress and expectations for the next several days and adjust if needed to maintain our alignment and performance.

I look forward to working with you and your team for the duration of your assignment and expect us to be active partners with you in terms of any strategic discussions and/or adjustments.
