2. **Arduous Medical Process (AMP) VS. Health Screening Questionnaire (HSQ)**

2.1 **What is the difference between the AMP and the HSQ?**

- The HSQ is for those employees taking the *moderate* and *light* WCTs.

2.2 **How do I know what exam/questionnaire I am supposed to take?**

eMedical keeps an electronic medical history that you can reference as needed.

You can access your packet anytime (Refer to Section 7) however *your HSQC determines which process to direct you to* when they initiate or approve your packet. When you log in to complete eMedical, you are automatically routed to the appropriate process based on what your HSQC determined.

2.3 **How do I complete the HSQ?**

- Check any box that applies in either Section A or B of the form.
HEALTH SCREENING QUESTIONNAIRE (HSQ)

Assess your health needs by marking all true statements.

The purpose of the HSQ is to identify individuals who may be at risk while taking the Work Capacity Test (WCT) and recommend an exercise program and/or medical examination prior to taking the WCT.

Employees are required to answer the following questions which were designed to identify those individuals who may be at medical risk when taking a WCT. The HSQ is not a medical examination. Any medical concerns you have that may place you or your health at risk should be reviewed with your personal physician prior to participating in the WCT.

An asterisk appears before the name of any input that is mandatory.

### 3. OF-178 Exam Process Questions

#### 3.1 I am being sent for an OF-178 Exam. What do I need to do?

• Click the “Submit” button.
• Click the checkbox in the pop-up window acknowledging the following statement: I certify that all of the information I have provided on this form is complete and accurate to the best of my knowledge, and that submitting information that is incomplete, misleading, or untruthful may result in termination, criminal sanctions, or delays in processing this form for employment. Furthermore, consistent with the Privacy Act Statement, I authorize the release to my employing agency of all information contained on this examination form and all other forms generated as a direct result of my examination.
• Click the “Submit” button to submit the form.

### 3.2 How do I schedule my OF-178 Physical exam?

You will need to schedule a physical exam with a medical provider. You will be given the option to use the services of Acuity International/Comprehensive Health Services (CHS) to schedule and pay for your physical exam.
If you choose to use the services, you will need to provide the following basic information to get started (some information will autopopulate):

- Name (autopopulated)
- Email address
- Phone number
- Location of exam
- Employee ID (autopopulated)
- Duty Station Org Code

Acuity/CHS will receive this information securely and contact you within 3 business days with instructions on how to proceed. You will set up an account through them and use their external (non-government) scheduling system to schedule and pay for your exam. They will identify a local medical provider to perform the exam and supply that provider with all the necessary information.
documentation to complete it. You will be informed on the date/time and location of the exam once it is scheduled.

- You must arrive on-time to your appointment.
- If you cannot make the scheduled appointment for your exam you must reschedule through Acuity/CHS as soon as possible to avoid late/missed appointment fees.

After the exam is performed, Acuity/CHS ensures the medical provider sends the results to eMedical for review by the USFS Reviewing Medical Officer. After it is reviewed you will be notified via email of your clearance status.

- Refer to section 5 for information on how to contact Acuity/CHS. All questions regarding access to and use of Acuity/CHS’ scheduling system should be directed to them.

If you choose to not use the scheduling services, you will need to schedule and pay for your own exam.

**Employees that choose to make their own exam arrangements must ensure the following:**

- The medical provider must be a licensed MD, DO, NP/APN or PA. Chiropractors may not complete this exam.
- The medical provider must enter their exam results into eMedical. The employee will receive an email from eMedical with information on what to bring to their exam.
- The employee will pay for exam costs but can be reimbursed (see section 3.3)

What if I cannot find a medical provider in the area to perform my exam and/or enter the results into eMedical?

Employees may choose to use Acuity’s services anytime in the process. If you initially opt out of using the contracted services but later change your mind, contact the eMedical Help Desk via
email (SM.FS.mqp_emedical@usda.gov) to authorize Acuity to contact you. Please also include the following information:

- Name
- Email Address (For Acuity to contact you)
- Phone # (For Acuity to contact you)

eMedical staff will reach out to Acuity/CHS and they will contact you directly.

After choosing “No”, you will receive an email from eMedical with important information. Read this email carefully, it includes detailed instructions on what to bring to the exam.

**IMPORTANT:** ALL WCT related updates will come from eMedical@gdcii.com. PLEASE READ ALL EMAILS from this address fully.

**Note:** Employees must print this email with the physician access code and a copy of all “Physician Documents” stored on the eMedical website: eMedical | US Forest Service (usda.gov)

Bring the letter and documents to the medical exam.

**ASK FIRST!** You may use a provider of your choice, but they MUST agree to use eMedical and its online exam submission process PRIOR to you having an exam completed.

If you need assistance in scheduling an exam, please contact your HSQC. M.D./D.O./N.P.s and P.A.s may conduct exams. Chiropractors may not.

Physicians and medical providers can contact the MQP Help Desk at SM.FS.mqp_emedical@usda.gov with any additional questions

Once your exam has been submitted by your medical provider it will be reviewed by the USFS Medical Officer.
3.3 How do I pay for exams?

- If you choose to use Acuity/CHS’ services, payment will be handled through them directly and you do not need to do anything.
- AD/Casual employees should follow agency policy for exam reimbursement
- Government Purchase Cards cannot be used to pay for exams.
- Exams costs will be charged to:

| Wildland Firefighters and Fire Support Personnel (Base-8 Employees) | Regional WFSE |
| Militia/Readiness Reserve Workforce | Regional WFSUTR |
| AD (Casual) Support | Regional WFSUAD |

4. Exam Clearance, Waivers and Mitigations

4.1 Notification of Medical Clearance

Once your physical exam results or self-certification has been submitted in eMedical, it will be reviewed by the appropriate person (HSQC, USFS Medical Officer or other eMedical administrator). The USFS Reviewing Medical Officer (RMO) will ultimately determine if you are “Medically Qualified” and may assign waivers and mitigations. You will be notified by email if you are medically cleared, if additional information is needed, or if you have been granted a waiver.

4.2 What is a waiver? How is a waiver issued?

Employees may be issued a waiver from the USFS RMO for their particular conditions. The waiver may require that employees provide specific medical information annually to be cleared to the WCT. Waivers are ONLY issued from the USFS Medical Qualifications (eMedical) Office. They cannot be issued by personal medical providers.

4.3 What do I do if I have a waiver?

- For the HSQ, you should check the “I have a waiver” box to inform the HSQC of your waiver. In both instances, the HSQC needs to send the packet to the RMO to review the waiver mitigation.
4.4 How do I view my exam Waiver and Mitigations?

When an employee is cleared after the exam/self-certification process, they are emailed notification of their clearance and directions on how to view their waiver specifics. **MAKE SURE to view your waiver and mitigations instructions after you receive it!** MANY waivers require information to be submitted to the MQP Office annually. Specific directions are found in your waiver/mitigation.

**IMPORTANT:** ALL WCT related updates will come from eMedical@gdcii.com. PLEASE READ ALL EMAILS from this address fully.

Employee Directions to View Waiver:
1. Log into eMedical.
2. Go to My Packets
3. If the waiver was issued in 2017 or later it will be highlighted in your list of packets. You can click on the link and it will take you to your waiver information.

5. It will describe in detail what information needs to be included in an annual physician statement (if required).
If the waiver was issued prior to 2017, the employee needs to contact the MQP Help Desk at: SM.FS.mqp_emedical@usda.gov

### 4.5 Employees with Waivers – Annual WCT Clearance Process

After the waiver is issued, each year employees should:
1. Submit required mitigations annually.
2. Check YES to “I have a waiver question” on the self-certification questionnaire.
3. If any existing condition has worsened, the employee should document it on the questionnaire at the appropriate place and give as much detail as possible. If there are any new conditions, identify them on the questionnaire and provide as much additional information as possible.
4. If there are any new conditions or if any existing condition has worsened, indicate it on your questionnaire and provide as much information as possible.
5. If the waiver does not require an annual update, notify the HSQC.
6. If the waiver DOES require an annual update, notify the HSQC and attach the information to your eMedical packet -OR- FAX or email the update to the USFS MQP office.

Clearance for both types of waivers will come by email.
