On-Site Incident Recycling BPA How to Order and Points of Contact

Updated: August 29, 2023

How to Order

- Logistics requests on-site incident recycling services via the BPA using ICS-213 General Message.
- Buying Team/AIMS Contracting Officer fills the order using the BPA (the order should *not* be filled at Dispatch).
- Once the CO confirms the vendor assigned, they will provide Dispatch with fill and travel information for each recycling resource order.
- See [Incident Recycling](#) for additional tools and resources

Contracting Officer and Contracting Officer Representative Contact Information

- Contracting Officer: Lydia Moore-Ward (Lydia.Moore-Ward@usda.gov)
- Contracting Officer Representative: Kelly Jaramillo (Kelly.Jaramillo@usda.gov)
