

**Forest Service Manual  
National Headquarters - Washington Office  
Washington, DC**

**Forest Service Manual 2600 – Wildlife, Fish, And Sensitive Plant Habitat Management  
Chapter 2670 - Threatened, Endangered and Sensitive Plants and Animals**

**Amendment:** 2600-1990-1

**Effective date:** June 01, 1990

**Duration:** This amendment is effective until superseded or removed.

**Approved by:** F Dale Robertson, Chief

**Date approved:**

**Responsible Staff:**

**Last Change:** Amendment 59, February 14, 1990

**Superseded Document(s):** 2600-1 thru 2676.17c (entire title except ID's); Amendment 48, June 1984; Amendment 50, January 1986; Amendment 51, March 1986; Amendment 52, October 1986; Amendment 54, March 1987; Amendment 55, June 1987; Amendment 56, April 1988; Amendment 57, July 1989; Amendment 58, October 1989; Amendment 59, February 14, 1990

**Digest:** Following is an explanation of the changes throughout the directive by section

**NEW POSTING NOTICE:** This amendment is the first in a new numbering series corresponding to the year in which material was amended. Since this amendment replaces all text except Interim Directives (ID), do not check for the last transmittal received for this title. Replace the entire title text except ID's. Place this transmittal sheet at the front of the title and retain until the first transmittal of the next calendar year is received.

**2600:** Please read the new posting notice carefully. These directions apply to this transmittal only.

Entire text, except ID's, is replaced. New text corresponds with text located in the National Information Center.

The electronic document names are shown above for ease in accessing them from the National Information Center.

**Forest Service Manual 2600 – Wildlife, Fish, And Sensitive Plant Habitat Management**

**Chapter 2670 - Threatened, Endangered and Sensitive Plants and Animals**

**Amendment:** 2600-1990-1

**Effective date:** June 01, 1990

Direction has not been changed. Some minor typographical and technical errors were corrected.

Amendment numbers and dates noted above are listed for historical purposes only.

All subsequent amendments will be issued by document.
