Description and exient of feature:		
A 10 ace lake approximately 1 mile east of the Cascade Divide in a volcanic area where very little surface drainage has developed.		
Distances and direction form prominent features or towns:		
6-3/4 miles northerly from Maiden Peak, 10 miles westerly from Wickiup Reservoir.		
Basis of knowledge that the feature is unnamed:		
The USGS Maiden Peak quadrangle of 1930, the General Land Office Plat of 1885, the Oregon Highway Transportation Map of Deschutes County, Streams and Lakes in Oregon, the Forest Atlas, and the Forest Maps were all checked and no name was found for this lake.		
Reason for choice of Name: <input checked="" type="checkbox"/> description <input type="checkbox"/> for a nearby feature: <input type="checkbox"/> for a person: <input type="checkbox"/> other (state reasons):		
If the name is descriptive, state why it is appropriate: The lake is very hard to find in this broken country so when it ws found by the Oregon State Game Commission personnel in 1951 by using aerial photos, they named it Found Lake, and is so recorded in their fish planting records.		
If named for another feature state: For that other feature.
