Posting Instructions: This is a technical amendment that converts the format and style of this FSM title from Applixware to the current corporate word processing application. Since this amendment replaces all text except Interim Directives (ID's), do not check for the last transmittal received for this title, instead place this transmittal sheet at the front of the title. DO NOT remove ID's when posting this amendment. ID's are not being reformatted at this time.

Digest: Following is an explanation of the changes throughout the directive by section.

Please read the new posting instructions carefully. These directions apply to this transmittal only.

7500: Entire amendment text is replaced. New text corresponds with text located on the Service-wide Directives Home Page in the Forest Service Web (<http://fsweb.wo.fs.fed.us/directives/index.html>) and the World Wide Web (<http://www.fs.fed.us/im/directives>).
