The Honorable Thomas Carper  
Chairman  
Committee on Environment and Public Works  
United States Senate  
513 Hart Senate Office Building  
Washington, D.C. 20510

Dear Chairman Carper:

This letter outlines the U.S. Department of Agriculture's Forest Service estimate of anticipated wildland fire suppression costs for March and May for fiscal year 2021, as required in the Department of the Interior, Environment, and Related Agencies Appropriations Act, 2010 (Public Law 111-88), as a part of the Title V-FLAME Act of 2009.

The enclosed estimates are based on the best climate and weather data currently available as well as the most effective analytical tools and models used to estimate fire suppression costs. The accuracy of the forecast increases over the course of the fiscal year as data inputs improve with the incorporation of year-to-date weather data and the most recent climate modeling outputs.

In compliance with Public Law 111-88, after 45 days, this report will be posted to the Forest Service website at: <https://www.fs.fed.us/about-agency/budget-performance>.

If you have any questions, please have a member of your staff contact the Office of Congressional Relations at (202) 720-7095. A similar letter is being sent to Ranking Member Lisa Murkowski.

Sincerely,

A handwritten signature in blue ink that reads "Thomas J. Vilsack". The signature is fluid and cursive, with the first name "Thomas" being the most prominent.
