ⁱ Previous report submissions inaccurately reflected Appropriation at the region level. Appropriation is only accurate at the Treasury Symbol level. This has been corrected.

ⁱⁱ Regions 01, 03, 04 and 06 have verified the program of work associated with P.L. 115-123 has been complete. Region 05 has one remaining project as part of their program of work and have identified the opportunity to utilize the remaining unobligated balances from the other regions towards this project. The repriorization of unobligated balance to Region 05 aligns with the objectives of P.L. 115-123.
