Work-Based Learning Partnerships

Harpers Ferry Job Corps works closely with partners to create “earn while you learn” opportunities, provide career ladder opportunities, and promote a culture of employment through collaboration with:

- Capitol Heights Townhomes
- Harpers Ferry National Park Service
- Sustainable Solutions
- Universal Forest Products
- Valley Workforce

Advanced Career Training

Advanced Career Training (ACT) is an advanced college-level program. Students in ACT get the benefit of continuing to live on campus while taking courses for a college degree.

Student Programs & Organizations

- **Drivers Education:** Driver's Education is available to all students needing their driver's license. Permits and licensing fees for students are paid for by the center.
- **Living Allowance:** Cash living allowance paid twice a month.
- **Recreation Activities:** Arts & Crafts, Basketball, Bowling, Games, Movies, Outings, Softball, and Video Games.
- **Student Government Association:** The Student Government Association (SGA) is the voice of our students in center operations.
- **Community Service:** Volunteer opportunities that align with a student's career pathway, such as building new playgrounds, patching up sidewalks, or cleaning up parks.

Graduate Benefits

- Connect with a network of employers and community leaders.
- Personal plan with a step-by-step process for entering the workforce.
- For 12 months after graduation, counselors will help you look for a job.
- Transition allowance of up to \$1,000 to assist you with transportation, housing services and job placement.
