## WILDLAND FIRE MANAGEMENT

## (INCLUDING TRANSFERS OF FUNDS)

For necessary expenses for forest fire presuppression activities on National Forest System lands, for emergency wildland fire suppression on or adjacent to such lands or other lands under fire protection agreement, and for emergency rehabilitation of burned-over National Forest System lands and water, \$2,880,338,000, to remain available through September 30, 2021: *Provided*, That such funds including unobligated balances under this heading, are available for repayment of advances from other appropriations accounts previously transferred for such purposes: *Provided further*, That any unobligated funds appropriated in a previous fiscal year for hazardous fuels management may be transferred to the "National Forest System" account: *Provided further*, That such funds shall be available to reimburse State and other cooperating entities for services provided in response to wildfire and other emergencies or disasters to the extent such reimbursements by the Forest Service for non-fire emergencies are fully repaid by the responsible emergency management agency: *Provided further*, That funds provided shall be available for support to Federal emergency response: *Provided further*, That the costs of implementing any cooperative agreement between the Federal Government and any non-Federal entity may be shared, as mutually agreed on by the affected parties: *Provided further*, That funds designated for wildfire suppression, shall be assessed for cost pools on the same basis as such assessments are calculated against other agency programs: *Provided further*, That the \$65,000,000 made available under this heading in the Consolidated and Further Continuing Appropriations Act, 2015 (Public Law 113-235) for the purpose of acquiring aircraft for the next-generation airtanker fleet shall instead be available until expended for the purpose of enhancing firefighting mobility, effectiveness, efficiency, and safety.

## ADMINISTRATIVE PROVISIONS—FOREST SERVICE

## (INCLUDING TRANSFERS OF FUNDS)

Appropriations to the Forest Service for the current fiscal year shall be available for: (1) purchase of passenger motor vehicles; acquisition of passenger motor vehicles from excess sources, and hire of such vehicles; purchase, lease, operation, maintenance, and acquisition of aircraft to maintain the operable fleet for use in Forest Service wildland fire programs and other Forest Service programs; notwithstanding other provisions of law, existing aircraft being replaced may be sold, with proceeds derived or trade-in value used to offset the purchase price for the replacement aircraft; (2) services pursuant to 7 U.S.C. 2225, and not to exceed \$100,000 for employment under 5 U.S.C. 3109; (3) purchase, erection, and alteration of buildings and other public improvements (7 U.S.C. 2250); (4) acquisition of land, waters, and interests therein pursuant to 7 U.S.C. 428a; (5) for expenses pursuant to the Volunteers in the National Forest Act of 1972 (16 U.S.C. 558a, 558d, and 558a note); (6) the cost of uniforms as authorized by 5 U.S.C. 5901-5902; and (7) for debt collection contracts in accordance with 31 U.S.C. 3718(c).

Any appropriations or funds available to the Forest Service may be transferred to the Wildland Fire Management appropriation for forest firefighting, emergency rehabilitation of burned-over or damaged lands or waters under its jurisdiction, and fire preparedness due to severe burning conditions upon the Secretary's notification of the House and Senate Committees on Appropriations that all fire suppression funds appropriated under the heading "Wildland Fire Management" will be obligated within 30 days: *Provided*, That all funds used pursuant to this paragraph must be replenished by a supplemental appropriation which must be requested as promptly as possible.

Not more than \$50,000,000 of funds appropriated to the Forest Service shall be available for expenditure or transfer to the Department of the Interior for wildland fire management, hazardous fuels management, and State fire assistance when such transfers would facilitate and expedite wildland fire management programs and projects.

Notwithstanding any other provision of this Act, the Forest Service may transfer unobligated balances of discretionary funds appropriated to the Forest Service by this Act to or within the National Forest System Account, or reprogram funds to be used for the purposes of hazardous fuels management and urgent rehabilitation of burned-over National Forest System lands and water, such transferred funds shall remain available through September 30, 2021: *Provided*, That none of the funds transferred pursuant to this section shall be available for obligation without written notification to and the prior approval of the Committees on Appropriations of both Houses of Congress: *Provided further*, That this section does not apply to funds appropriated to the FLAME Wildfire Suppression Reserve Fund or funds derived from the Land and Water Conservation Fund.

Funds appropriated to the Forest Service shall be available for assistance to or through the Agency for International Development in connection with forest and rangeland research, technical information, and assistance in foreign countries, and shall be available to support forestry and related natural resource activities outside the United States and its territories and possessions, including technical assistance, education and training, and cooperation with U.S., private, and international organizations. The Forest Service, acting for the International Program, may sign direct funding agreements with foreign governments and institutions as well as other domestic agencies (including the U.S. Agency for International Development, the Department of State, and the Millennium Challenge Corporation), U.S. private sector firms, institutions and organizations to provide technical assistance and training programs overseas on forestry and rangeland management.

Funds appropriated to the Forest Service shall be available for expenditure or transfer to the Department of the Interior, Bureau of Land Management, for removal, preparation, and adoption of excess wild horses and burros from National Forest System lands, and for the performance of cadastral surveys to designate the boundaries of such lands.

None of the funds made available to the Forest Service in this Act or any other Act with respect to any fiscal year shall be subject to transfer under the provisions of section 702(b) of the Department of Agriculture Organic Act of 1944 (7 U.S.C. 2257),
