

# Evolutionarily Significant Units Of Cutthroat Trout

(Does not include "Not Warranted" ESUs)

## LEGEND

### Evolutionarily Significant Unit (ESU) and Status

- Oregon Coastal (C)
- Southwestern Washington/Lower Columbia River (PT)

(C) Candidate, (PT) Proposed Threatened  
(Does not include "Not Warranted" ESUs)

### National Forest System

- Inventoried Roadless Area where road construction or reconstruction is allowed
- Inventoried Roadless Area where road construction or reconstruction is not allowed
- Inventoried Roadless Area where road construction or reconstruction is not allowed, and the forest plan recommends as wilderness
- Designated Areas outside of Inventoried Roadless Areas
- National Forest System land outside of Inventoried Roadless Areas - not all private land is shown on the map
