PARENTS & EDUCATORS

Your 4th grader can take you to some amazing urban places and outdoor spaces. The Every Kid Outdoors program, formerly known as Every Kid in a Park, is a federal public lands partnership created to inspire U.S. 4th graders and their families to recreate, explore cultures, discover connections to nature, and spark a lifelong passion for America's great outdoors.

Get fee-free entry!

Getting a pass is simple! Visit the "Get Your Pass" section of www.everykidoutdoors.gov, complete an online game, and download a personalized voucher for print and use at federal lands and waters locations. This paper voucher can be exchanged for a more durable, Interagency Annual 4th Grade Pass at certain federal lands or waters sites. Visit online at <https://store.usgs.gov/pass/PassIssuanceList.pdf> for a complete list of locations that issue passes.

Visit www.EVERYKIDOUTDOORS.gov to learn more about how to use your pass, to obtain help in planning your trip, to locate available educational materials, and to find phone numbers and addresses.

How to Use Your Pass

4th graders with a voucher or pass: When you, your family and friends travel together in one vehicle, you get everyone in for free at participating sites that charge per vehicle. If you are visiting a site that charges per person, you and up to three accompanying adults, will be admitted free when you present your 4th Grade Pass (including when you enter by bicycle).

Some areas you visit may not have staff on site full-time but you still need your pass for entry. Simply leave your pass on the car dashboard or use a hang tag holder and display your pass from the car's rearview mirror.

Remember, 4th graders, you must have your pass and be present for your family and friends to be admitted with you for free.
