Subject: Supervisor's Order Civil Rights – 0402-01-110

Major civil rights impacts are those consequences of proposed policy actions that, if implemented, would negatively and disproportionately affect groups or classes of people by virtue of their race, color, sex, national origin, age, religion, family status, or disability.

The deciding officer has considered the impact of the proposed prohibitions on the civil rights of minorities, women, persons with disabilities, and other protected groups. In considering the effects of the proposed action, it was determined that the civil rights of any protected group or class of people would not be affected by this closure.
