

Appendix 3E

Inventory of Government-Furnished Property

An inventory of Government-owned property should be included as an appendix to the prospectus, and later as an attachment to the permit. The following inventory is typical for facilities at a small campground. Record information by site for prospectuses involving multiple sites. The estimated fair market value is the replacement cost less all forms of depreciation.

Site Name: _____

Item	Type	Quantity	Fair Market Value		Remarks
			Each	Subtotal	
Gate	Wooden/Metal	1		\$500	
Cattle Guard	Concrete/Metal	2		2,000	20 ft wide
